

NOTICE

Campus Access Restrictions

The Institute of Science Tokyo Ookayama Campus will serve as a site for the AY 2026 undergraduate entrance examinations, and access to the premises will be restricted as follows.

During the University Admission Common Test Period

Saturday, January 17, from 6 a.m. to 8 p.m.

Sunday, January 18, from 6 a.m. to 7 p.m.

During the General Entrance Examination Period

Wednesday, February 25, from 6 a.m. to 5 p.m.

Thursday, February 26, from 6 a.m. to 5 p.m.

Access to the campus will be limited to truly unavoidable cases, in principle.

Faculty and staff, including part-time members, may enter by presenting their access card or staff ID card at the gate.

November 20, 2025

Yujiro Tanaka

President and Chief Academic Officer (CAO) Institute
of Science Tokyo
